### Student/Staff Basketball Game

Tremont High School Student Council will once again be hosting our popular student and staff basketball game on **Friday, March 15th at 6PM in the H.S. North Gym**. If you've never been to this event, it is an amazing, inspiring evening, which showcases HS students and staff (GS, MS, and HS) participating in a friendly basketball game with proceeds going to a worthy community supporter. The evening also features a raffle, pulled pork dinner, Minute to Win It competition, and more, including the new addition of kids' carnival games!

If you've never had the pleasure of meeting our high school wrestling coach, T.J. Williams, he is truly a one-of-a-kind person, who shows unprecedented dedication and support to our school district. This year, T.J. led the Tremont Turks wrestling team to the greatest season in Tremont history, as the wrestlers competed in State finals as a team last weekend. While T.J.'s coaching career has soared, his family has dealt with their own tribulations off the mat as T.J.'s son, Aidan, was diagnosed with pediatric cancer. Even with this diagnosis, T.J. and his family have continued to support our community with constant smiles on their faces and Aidan has become one of the unofficial mascots of this Turk wrestling season.

This year, we will be selling t-shirts, which can be worn at this event and any other Tremont event, which feature Aidan's warrior motto! **If you are interested in ordering a t-shirt, please print the order form at this link: [T-Shirt Order Form](#)**. Sizes and prices can also be found on this form.

If you have any questions regarding the event or t-shirt sales, please e-mail Cassy Wicks at [cassy.wicks@d702.org](mailto:cassy.wicks@d702.org).

Thank you in advance for your support. We hope to see you all on Friday, March 15th, at 6PM in the North Gym.

### Tremont Museum

#### Tremont Museum Update

Our volunteers and donors make things happen. Currently there are three major projects we are working on at the museum: Renovation of the old Water Works building, a new research room, and documenting Sampson Street businesses through the years. We need your help!

If you have any of the following items that you would be willing to donate or loan to the museum, or if you know anyone who does, please call Lori at 309-840-0094.

We are in need of a museum quality one-horse plow, vintage driving goggles, signs from any Tremont business, old Tremont agriculture-related photos and old Sampson Street photos or items.

*Working on the Sampson Street project: Joyce Madsen, Marthajane Hillman, Clint Kehlert, Rick Otey*
